Syrila Bossert,
WHNP-BC
Clinic Women's Health
Nurse Practitioner

Syrila is a native of Louisiana and was raised in Abbeville, Louisiana, by her single parent mom, Clementine Thibeaux. She graduated with her BSN from Southeastern Louisiana University. While in nursing school she realized her desire to provide specific care in women's health. She was blessed to start her first year working as an RN on a Labor and Delivery floor. While working and living in Port Arthur, Texas, she had the opportunity and desire to return to school to become a Nurse Practitioner. After years of experience with women on labor and delivery it was a natural segue to specializing as a Women's Health Nurse Practitioner. She received her master's degree from University of Texas Health Science Center-Houston. She and her husband, Dean, live in Dayton and work in Liberty. They have sent three grown children out into the world.

Why go anywhere else when the care you need is close at home!

Building strong partnerships for the future of the City of Dayton!

City leaders had a productive meeting last week with the new TxDOT District Engineer and representatives. They are committed to collaborating closely with TxDOT to improve our local infrastructure, address traffic safety, and plan for the growth of our community.

Pictured (above, l-r): Derek Woods, Sarah Vickery, Ana Mijares, Kenneth Wiemers, Sarah Dupre, Shane Burleigh, and Tonya Smikal.

Liberty County District Attorney Jennifer Bergman (left) and First Assistant District Attorney Anna Emmons joined board members and other supporters of the Multi-County Crime Stoppers (MCCS) last week at their Christmas luncheon. Operating within Montgomery, Liberty, and San Jacinto Counties, MCCS's mission is to gather intelligence about local felony crimes and locate wanted felony fugitives. MCCS operates a 24-hour tip line which is answered 365 days a year. More information on MCCS is shown at the bottom of Page A-2.

Results of accident investigation released

The City of Liberty is releasing the following information regarding an incident that occurred in the middle of the night on November 20, 2025.

In the middle of the night on November 20, 2025, a City of Liberty Police Department officer was involved in an automobile-pedestrian accident during the course of duty. Preliminary information indicates that the officer accidentally struck a pedestrian with the side-view mirror of his vehicle. Emergency medical personnel responded immediately and the pedestrian received prompt medical care.

In the interest of transparency and to ensure a fully independent review, the City of Liberty requested the Texas Department of Public Safety

(DPS) to conduct the investigation into the crash. DPS investigators responded to the scene and completed their review of the incident.

Based on the findings of the DPS investigation, the city has taken appropriate disciplinary action in accordance with departmental policies and applicable law. Due to personnel-privacy requirements, the city is limited in the amount of detail that can be released; however, we want to reassure the community that the matter has been handled with the seriousness it deserves.

The City of Liberty remains committed to accountability, public safety, and maintaining the trust of our residents. We thank DPS for its professional and impartial investigation.

HERE WE GROW!

The OLD OIL FIELD of HUMBLE
and its Operation

Dr. A. G. Braddick
D.C., D.C.C.C.
\$15.00
Available at the Liberty Gazette and R.A.Smith Gifts

The Old Oil Field of Humble and Its Operation is a pictorial history of the oil field in Humble, Texas, which was active from 1905 to the 1940s. With photos, narratives and drawings, Dr. Braddick describes the equipment and how it was used, how wells were drilled and oil field operations. Readers interested in Texas history, engineering and oil field equipment will have a glimpse into the past that made Humble the city it is today.
