Dayton Fire Department pumper team takes off in convention races Saturday night. Two of the six-man team are shown breaking out hose – Lester Wisegerber and J.C. Calhoun.

From Illustrated Press of Liberty County, Thursday, November 11, 1963 –

This won't happen again. This 1960 flood in Oak Forest Subdivision in Liberty is a calamity, which is forestalled by a system of pumps and levees now. The record rainfall of the 1957-1962 period would not result in such flooding in 1963.
