## SHC book drive for military, veterans

LIBERTY - The Sam Houston Regional Library and Research Center (SHC), as part of its Texas America250 programming, has announced a new book drive in support of our military and veterans. The SHC Quarterly Book Club has partnered with Operation Paperback to support active-duty military, veterans and their families with books donated through the club. Books must be new or gently used, without writing or damage, and can be either paperback or hardback. To ensure books are in like-new condition, publication dates within the past 5-7 years are preferred. Popular categories include mysteries, action novels, westerns, fantasy and science fiction, but all genres are welcome. Military and veterans also request nonfiction genres, like history, current events and business and investing books. Club members and Center staff plan to deliver books to the Veteran Affairs Medical Center in Houston for use in clinics throughout Southeast Texas and to ship books through Operation Paperback.

By working with Operation Paperback, the club can send books where they will be of most benefit, which may be to troops overseas, wounded warrior programs, military families or hospitals. Club members invite the community to bring book donations to the Sam Houston Regional Library and Research Center, 650 FM1011, during regular business hours Tuesday to Friday, 8 a.m.-5 p.m. and Saturday, 9 a.m.- 4 p.m. Books will be collected through July 4.

## Report suspicious activity, behavior

AUSTIN - The Texas Department of Public Safety's (DPS) iWatchTexas program is a resource anyone can use to report suspicious activity or behavior in schools and communities. The iWatchTexas program allows Texans to report any suspicious activities or behaviors that may indicate criminal, terrorist or school safety-related threats.

The public can report behaviors via the mobile app, online at [www.iwatchtx.org](http://www.iwatchtx.org) or by calling 1-844-643-2251. Each report is reviewed by law enforcement analysts and all reports are confidential (providing contact information, which is optional).

The iWatchTexas app is available at no cost to iPhone users on the Apple App Store (iWatchTexas) and for Android users on Google Play (iWatchTexas). Texans are urged to download the app now.

*Note: The iWatchTexas program is not designed to report emergencies. If a situation requires an emergency response, call 911.*
