

Two old buildings along Hwy. 770 in Daisetta as they look while going under an exterior makeover by HD N.E.A.T. - Hull Daisetta Neighborhood Enhancement Action Teams. A multi-step process is bringing new life to the buildings, which can be seen on the front page of this issue of the Gazette. Additional murals will be added to further enhance the look of downtown Daisetta and are sure to catch the eye of travelers.

A worn and tired old building gets an upgraded look as volunteers with HD N.E.A.T. give it some new life. A fresh coat of paint and plywood to cover over the old windows were a start.
